

Memorandum of Mutual Cooperation
between
University of Darussalam Gontor
and
Sirithamwittaya School

We, the principals, teachers and students of the schools mentioned above hereby agree to create and develop a twinning program with the following objectives;

1. To exchange information, expertise, and efficiency in school management.
2. To foster collaboration in curriculum development, instructional activities, co-curricular activities, and extracurricular activities.
3. To exchange ideas for developing students' competencies.
4. To understand and learn about local culture and traditions.
5. To strengthen the relationships between teachers, students, and administrators of both schools.
